Donation Request Form

The Sheriff's Youth Project of Le Sueur County, MN, is a not-for-profit organization that continuously strives to aid and support today's youth who are in need of services. The purpose of the Sheriff's Youth Project is to generate not-for-profit funding to facilitate certain opportunities for youth who would not otherwise be able to accommodate those services on their own accord. The organization's objective is to seek out innovative and unique ways to provide youth with enhancement in maturation, experience, and growth in their respective communities. The Sheriff's Youth Project endlessly searches for opportunities to present youth the possibility of reaching their maximum potential.
